## How To Make A Bad Situation Worse

New York-based singer-songwriter Mishka Shubaly writes as he lives – hard, by the seat of his pants, and without recourse. He lives as if today is his last, and writes songs that reflect this dirt-underneath-the-nails lifestyle. Fans relate to his drunken, bloody mess of a life – and art truly does imitate life here. Nothing proves Mishka Shubaly's darkness, but somehow upbeat style of gruff, muddy, rockin' indie-folk with a dark twist – than his debut full-length, "How To Make A Bad Situation Worse". Take a page out of Mishka Shubaly's book and make a bad situation worse... for the better.

Don't take our word for it, here's what the press has to say about Mishka:

"...a gruff chronicler of fuckups and fuckovers. He smothers the bullshit out of fractured folk." --*Village Voice*

"...it's time Las Vegas discovered drunken anti-hero Mishka Shubaly, who writes lines like 'God, you're so beautiful, it's like you're fucking deformed.'" --*Las Vegas Weekly*

"...brainy, smart-ass songs of disappointment and 'heartbreak and liver failure' chronicle the loser life in fresh, often hilarious fashion." --*Westword, CO*

"Shubaly's voice ain't exactly pretty, but it's just right for his music: thickly melodic sing-along songs that yank at your heartstrings and dark furious rockers." --*Time Out NY*

"...He's created gorgeous songs that make grown men cry, that remind you of teenage heartache and totally disarm you" --*Portland Mercury*

"Shubaly writes some of the best lyrical lines you've never heard, and delivers them in a gruff, only semi-musical voice while punishing a guitar for some imagined sin.." --*Tampa Weekly Planet*
